

# GENIES TOO

## Breakfast

Served 8 am – 2 am.

We have brought some of the best items from our original location to you with the same pride in using only local cage-free eggs, local farm-raised meats & local produce wherever possible. We make most of our meats & specialty sauces from scratch. We choose our products in the manner we would with our own families & hope you can taste the difference in the quality & freshness. We thank you for visiting Genies/Space Room & hope you enjoy your meal.
